Below the table, there is an information icon and a text box explaining that the number of delegates is determined based on the club membership as of the month before the convention. It also states that the appointment period for international convention delegates is from January 1st to the day before the convention.

At the bottom of the page, there is a button labeled '代議員を追加' (Add Delegates), which is circled in red. Below the button, it says '0名の代議員が見つかりました。' (0 delegates found).
